

CENTENNIAL CLUB - LEGISLATIVE LUNCH FOUR POINTS BY SHERATON, CULVER CITY

The Centennial Club of Beverly Hills/Greater Los Angeles Association of Realtors (“BHGLAAR”) held the second Legislative Luncheon for 2010 at the lovely Four Points by Sheraton in Culver City on Friday June 18th.

This event was the 8th Annual Rent Control Luncheon, with representatives from the four cities within the BHGLAAR boundaries with some sort of rent control; Beverly Hills, Los Angeles, Santa Monica, and West Hollywood.

The speakers presented advice to the Realtors on how to comply with the ordinance and the changes that have occurred in the past year. Most importantly, they urged the Realtors to call the city with any questions on particular properties so that you can properly advise your clients. The California Association of Realtors sent the Statewide Fundraising Representative, Lynn Movroydis, to explain the importance of investing in the Realtor Action Fund. During the event, over \$600 was raised for RAF.

Thanks to our affiliate sponsors, Lisa Nevins, Wells Fargo Mortgage; Gina Cole, Center Termite and Pest Control; Alana Fugnetti, Dee Signs; and Jon Wax, First American Natural Hazard Disclosures.

Next Legislative Luncheon is scheduled for October 22nd.
